

## *Board of Executive Directors*

Since 1996, **Deborah L. Dixon**, has been working in ministry. She answered the call the Lord placed on her life in 1997, when she began her career in counseling. She was ordained as a Minister in 1998. She earned a Masters degree in 2003 and is currently pursuing a doctorate degree in Addiction Psychology. Honorably discharged from the U.S. Army in 2002, and upon the Lord's leading and in obedience to His call, she incorporated FIA in 2003, where she serves as **President and Executive Director**. Minister Dixon teaches Sunday School, preaches sermons, and counsels within church and secular settings when called upon. She oversees many aspects of the Ministry, which is not limited to reviewing submitted applications for services, distribution of services, website maintenance, purchasing materials and supplies, and building and maintaining relationships with churches and community organizations.

Since 1998, **Wallace R. Dixon II**, has been expressing an interest and gift that the Lord has given him – computers. Honorably discharged from the U.S. Army in 1989, he began exercising his gifts and talents of building computers, networking systems, running diagnostic programs, and repairing systems. In 2005, he honored FIA by accepting the position of **Vice-President and Executive Director of Information Technology**. He oversees all of the Ministry's computer and technological issues, as well as other duties.

Since 1994, **Danixa Elizabeth**, EA, member of the National Association of Enrolled Agents, the New Jersey Society of Enrolled Agents, the National Notary Association and CEO of Tax Tyme, LLC, has been doing taxes for individuals, corporations (both non-profit and for-profit), and other sole proprietorships. Ms. Elizabeth's status as an EA means that she is authorized to practice before the Internal Revenue Service, representing clients and their rights much like an attorney and CPA. She has graciously accepted the position as **Executive Director of Finance** for FIA and has served with us since its incorporation as a nonprofit 501(c)(3) corporation in 2003 overseeing all of the Ministry's financial responsibilities.
